R-PP elaboration process

- 2011 starts the elaboration process of the R-PP with high commitment and effort.
- From mid-2012 CONPAH joins the review and development of the R-PP through its technical team appointed
- Endorsement by CONPAH of all the R-PP drafts submitted after December 2012
- Importance of incorporating in the R-PP the comments of this PC resolution

Political dialogue between Government and IP

- Seven (7) political dialogue meetings from May 2012 to date
- A country process (4 Ministries, 9 IP) with support from UNDP as facilitator
- ILO mission in March 2013. Invitation to COPINH and OFRANEH

Achievements

*Al servicio
de las personas
y las naciones*

- Opening spaces for dialogue between Gov and IP beyond REDD +. Letter of Commitment
- Broadly participatory process
- Establishing a solid foundation for REDD + work (good faith)
- Importance of creating the MIACC and its regulation as well as the regulation of REDD + Subcommittee.
