Announcement: Feedback for the 2nd Evaluation of the FCPF

Indufor has been contracted to carry out the 2nd Evaluation of the Forest Carbon Partnership Facility (FCPF). We are keen to conduct an inclusive process to allow actors such as Civil Society Organizations, Indigenous Peoples representatives, Non-Governmental Organizations, the private sector, academic institutions, and other international organizations to provide feedback on their experience with the FCPF evaluation.

To provide your feedback in English, please send responses by email to majella.clarke@indufor.fi
For feedback in Spanish or French, please send responses by email to petra.mikkolainen@indufor.fi

We invite your feedback on the following points below to be considered in the evaluation.

1. List the country which you represent:

2. Please briefly describe your role in FCPF:

3. Positive experiences and lessons from participating in the FCPF. Please note any positive experiences and lessons learned that you think should be carried over into the future work of the FCPF.

4. Negative experiences and lessons from participating in the FCPF. Please note any negative experiences and lessons learned from which you think the FCPF should learn from and adjust its future work accordingly.

All names will remain strictly confidential.
