 - Evaluation findings and recommendations
 - Majella Clark (Team Lead)
 - Petra Mikkolainen (Team Member)
 - Marko Katila (Quality Manager)
 - Discussion and informal feedback from PC
 - Findings and Recommendations
 - Next steps on action plan to implement recommendations

Background (1)

- FCPF Charter mandates need for Evaluation as follows:
 - Article 17: Evaluation of the operation of the Facility
- Process of Evaluation:
 - “shall be conducted by an independent third party, including the Bank’s Independent Evaluation Group in line with rules of that group ”
- FCPF Info Memo:
 - FCPF internal review of effectiveness of FCPF program delivery
 - FMT to assess and prepare evaluation process in consultation with the PC
 - Independent Evaluation Group or other third party evaluation of FCPF program, and/or an Ad Hoc Technical Advisory Panel reporting to the Participants Committee
- Communication of findings and insights, and methods to countries, investors, UNFCCC

Background (2)

- First Evaluation of the FCPF completed in June 2011
- First Global Program Review of the FCPF conducted by the IEG in August 2012
- FCPF Monitoring and Evaluation Framework adopted by Participants Committee
- Provides for frequency of future evaluations of the Facility
 - Second evaluation in 2015 (ongoing)
 - Third evaluation in 2017
 - Final evaluation in 2020

PC may wish to re-consider the timing of future evaluations

Update since PC21

- Evaluation report substantially revised based on comments received on May version of the report
- Process for review and report endorsement agreed by OC
- Final Draft Report reviewed by the OC and Reference Group, for quality assurance against OECD/DAC criteria
- Final Report received September 19, 2016

Update since PC21

- The Final Report will be disclosed once the endorsement process has been completed by the OC
- Due to tight timing to complete formal endorsement, the OC agreed that the chapter on conclusions and recommendations, and the summary table of findings, conclusions and recommendations be made available for this meeting
- The OC will present an update on evaluation process and next steps
