Chile's Readiness Preparation Proposal

Whereas:

1. Chile submitted a Readiness Preparation Proposal (R-PP) to the Facility Management Team (FMT) in October 2012, which was reviewed by a Technical Advisory Panel (TAP), a working group consisting of Participants Committee (PC) members established for this purpose, and the World Bank;
2. The PC reviewed the R-PP in accordance with Section 11.1 (b) of the Charter Establishing the FCPF (Charter) at its fourteenth meeting; and
3. The PC acknowledged the extensive efforts made by Chile, and the high quality of the R-PP.

The Participants Committee,

1. Decides to allocate funding to Chile to enable it to move ahead with the preparation for readiness.
2. For this purpose, requests:
 - i. Chile to submit a revised R-PP (Revised R-PP) to the FMT, reflecting the key issues in the summary report prepared by the FMT included in the annex of this resolution;
 - ii. The FMT to check on the Revised R-PP for completeness, make it available on the FCPF website and notify the PC of its availability;
 - iii. The World Bank, as the Delivery Partner, to complete its due diligence, in particular with regard to the World Bank's Operational Policies and Procedures, working closely with Chile, in order to provide a grant of up to US\$ 3.8million, in accordance with Resolutions PC/3/2009/4 and PC/Electronic/2012/1;
 - iv. Chile to consider the issues identified in the TAP's R-PP assessment as well as those raised by the PC at this meeting during readiness preparation; and
 - v. Chile to report to the PC on progress made in accordance with Section 6.3 (b) of the Charter and to carry out its responsibilities in accordance with the Grant Agreement.

Annex

Summary Report Prepared by the FMT

The PC noted that the R-PP formulation process to date has been a positive one, and that the R-PP offers good opportunities for other REDD countries to learn from Chile's experience.

Key Issues

The following are the key issues that Chile needs to address before entering into a Readiness Preparation Grant Agreement with the Trustee of the Readiness Fund.

1. The R-PP text and relevant diagrams will be revised to reflect that a representative of NGOs and an Indigenous Peoples representative independent of the Government will be included in the Bureau of Forests and Climate Change, and the Technical Group.
2. The R-PP will be revised to consistently use the term "Indigenous Peoples" as defined in ILO 169, and use the term "Indigenous Communities" only in the context of indigenous communities legally or traditionally recognized.
