Washington, 28 October 2009

REDDI READINESS STRATEGY

- ❑ Reference on **policy interventions and activities to be carried out** in the preparation for participation in REDD/REDD-plus scheme after 2012
- ❑ Consist of **the rational** of REDD in Indonesia, key strategy components, actions plan/activities, time schedule, and indicative budget requirements,
- ❑ Tools to **integrate and maintain synergy** of the whole readiness activities in Indonesia.

REDDI STRATEGY (Readiness Phase)

LEVEL	STRATEGY CATEGORY
NATIONAL	<ol style="list-style-type: none"><li data-bbox="409 444 1808 546">1. Policy interventions to tackle drivers of Deforestation and Forest Degradation<li data-bbox="409 558 1582 661">2. REDD regulations (REDD Guidelines and REDD Commission)<li data-bbox="409 672 1754 775">3. Methodology (establishment of National REL and MRV system)<li data-bbox="409 786 1833 1003">4. Institutional (National Registry, distribution of incentives/responsibilities, capacity building, stakeholders communication, coordinations among REDD institutions)<li data-bbox="409 1015 1692 1061">5. Analytical works (REL, MRV, Co-benefits, risks, etc)

REDDI READINESS STRATEGY at the provincial and district levels

LEVEL	STRATEGY CATEGORY
Provincial level	<ol style="list-style-type: none"><li data-bbox="504 386 1769 486">1. Methodology (establishment of Provincial REL and MRV system)<li data-bbox="504 501 1624 658">2. Institutional (capacity building, stakeholders communication, coordinations among REDD institutions)<li data-bbox="504 672 1769 715">3. Demonstration activities, Voluntary carbon projects
District level	<ol style="list-style-type: none"><li data-bbox="504 808 1827 908">1. Methodology (establishment of District REL and MRV system)<li data-bbox="504 922 1624 1079">2. Institutional (capacity building, stakeholders communication, coordinations among REDD institutions)<li data-bbox="504 1093 1769 1136">3. Demonstration activities, Voluntary carbon projects

Where are we now ? (national level) : policy and institution

- 1. Working Group on Forest and Climate Change established through the Minister of Forestry Decree No. 13/2009)**
- 2. REDD Guidelines (Regulation on REDD Demonstration Activity/PERMENHUT No. 68/2008 and Regulation on REDD implementation/PERMENHUT No. 30/2009)**
- 3. REDD Commission (inter-sectoral), mandated by PERMENHUT No. 30/2009 (pending)**
- 4. Relevant progress : establishment of *Indonesia Climate Change Trust Fund*, where REDD is in one of the windows.**

WHERE ARE WE NOW ? (national level) : technical/methodological and field activities

- **Continuing the work programme of FRIS/INCAS : data collection and processing (MoFor Planning Agency – LAPAN),**
- **Research activities to support FRIS/INCAS (FORDA etc),**
- **Stakeholder communication : on-going**
- **Demonstration Activities : Id – Australia/KFCP , Id – Germany, Id –Korea, Id – ITTO, Id-TNC.**

ESTIMATED COSTS FOR READINESS

STRATEGY CATEGORY	ESTIMATED COSTS (US \$ MILLION)
Methodology (Establishment of Reference Emissions Level/REL and Development of Monitoring-Reporting-Verification/MRV System)	12.628
Regulations, Institutions, and analytical works	6.236
TOTAL :	18.864 (excluding Demonstration Activities* and Policy interventions to tackle drivers of DD**)

? We request from FCPF

R-Plan Component	Activities	Requested budget (US \$ 1000)
1	Background Studies (follow up IFCA Studies) inc. further studies on drivers of DD and ways to address them	138
2	Management of REDD, consultation, communication, participation	491
3	Design REDD Strategy : evaluate opportunity costs, risks, evaluate demonstration activities	652
4	REDD implementation framework : assist institutional setting incl. national registry, institutional capacity building etc,	469
5	Assessment of environmental and social benefits, and other co-benefits	342
7	Assist in developing REL/RL, data acquisition, background studies (coordinated activities : Australia - UNREDD - FCPF - others)	719
8	Design MRV system (coordinated activities : Australia – UNREDD – FCPF – others)	285

Follow Up of the 3rd PC meeting in Montreux

- Resolution PC/3/ 2009/5 (Indonesia Readiness Preparation Proposal) , paragraph 5 (i) :
“Before signature of the grant agreement referred to in paragraph 4 above, to report on progress on issues included in the Summary Report at the fourth meeting of the PC” .
- Information on the PC decision on Indonesia-RPP received from FMT on 26 August 2009 →
- Circumstances around : Ramadhan month and led Ftr National holidays, political transition, CC negotiation agenda, natural disasters in some major islands in Indonesia.
- [Issues on Summary Report to be addressed \(hyperlink\)](#)

THANKYOU
