

The review consolidates comments received from Norway, the European Commission (headquarters and Ghana delegation) and Denmark.

We commend Ghana for the progress made to formulate the R-PP with limited financial support. Ghana's R-PP is a sufficient basis for moving forward with financial support from the FCPF Readiness Fund.

## **Organisation and consultation**

- Institutional setting.
- Stakeholder consultation.

## **Preparation of REDD strategy**

- Gender analysis.
- Introduce tenure changes.
- VPA and FLEGT link to REDD.

## **Design of monitoring system**

- Broaden focus from high forest zone.
- Indicators and define clear outcome.
