## ER Monitoring Report template

Seventeenth Meeting of the Carbon Fund (CF17)

Paris, January 30 – February 1, 2018

# Background

- General Conditions stipulate that ER Programs shall provide an ER Monitoring Report for a Reporting Period as the basis for transfer and payment
- Monitoring Report contains
  - the number of ERs generated
  - the occurrence of any Reversal Event(s)
  - any inability, in full or in part, to transfer Title to ERs
  - all other data as may be required to be collected and recorded by the ER Monitoring Plan.
- Monitoring Report is basis for verification process

# Template

- Main sections follow the definition in the General Conditions:
  1. Number of ERs generated by the ER Program during the Reporting Period
  2. Transfer of Title to ERs
  3. Reversals
  4. Emission Reductions available for transfer to the Carbon Fund
- Annexes:
  - Annex 1: Information on the implementation of the Safeguards.
  - Annex 2: Information on the implementation of the Benefit-Sharing Plan
  - Annex 3: Information of the generation and/or enhancement of priority Non-Carbon Benefits

# Feedback requested at this meeting

- Any parts of the template that are unclear?
- Anything missing that should be included in the template?
- Anything in the template that should not be included?
- Any objection for the template to be made available on the FCPF website for use by countries?
