Costa Rica

FCPF Grant Mid-Term Report

Overall Progress

Costa Rica has made significant and demonstrable progress towards achieving the objectives of the FCPF REDD+ Readiness grant
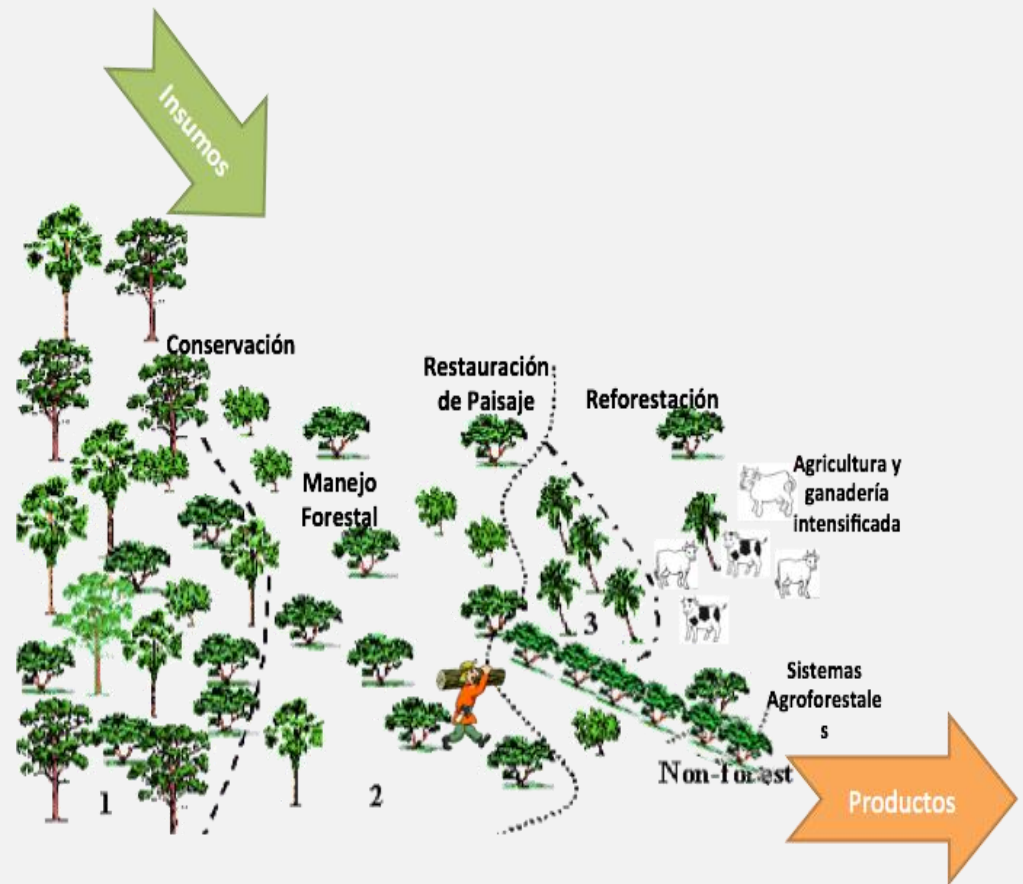

Open Dialogue

Building Blocks for Carbon Neutrality

Strong Institutional Arrangements

Strengthening Capacity

REDD+ Strategy

Costa Rica is transitioning from a PES-based REDD+ strategy to an integrated productive landscapes vision, including conservation with high co-benefits, forest management for increased timber production, and agricultural NAMAs, all in the context of its carbon neutrality strategy
