	<p>communication strategies have been developed to include use of brochure, community radios Media and other consultation platforms</p>				
<p><i>Key Challenges</i></p>	<p><i>Identifying appropriate representative institutions of local stakeholder groups -- both Indigenous peoples and non-Indigenous groups – geographically dispersed in large countries. Issue of IPs is continuous in Tanzania and Ethiopia</i></p>	<p><i>Identifying appropriate representative NGOs and institutions of forest dependent communities</i></p>	<p><i>Identifying appropriate representation of small-scale miners and loggers.</i></p>	<p><i>Stakeholder consultation are a challenges given the many islands, geographical isolation of some NGOs and forest communities</i></p>
