

## REDD Readiness Progress Fact Sheet

**COUNTRY: Indonesia**

**September, 2011**

### 1. R-PP Preparation and FCPF Readiness grant

- R-PP assessed by FCPF PC at PC4 (June, 2009)
- FCPF R-PP Assessment Note was prepared Indonesia briefed the PC on progress made regarding their comments on the R-PP
- Readiness grant signed in June 2011. 2011 and will be implemented by the Ministry of Forestry (through FORDA), with the support of Ministry of Finance, DKN and the REDD+ Task Force. The grant is supervised by a Steering Committee.
- First activities are being developed within FORDA in cooperation with partners; however, the SESA process has not started yet.
- 

### 2. National REDD Readiness Management Arrangements

- National REDD working group created by Ministerial Decree in 2009, chaired by Ministry of Forestry
- Under the Norwegian Lol process (US\$ 1 billion), Indonesia created and recently re-arranged a Task Force which is currently assessing implementing mechanism for REDD+ in the country (REDD+ Agency, MRV agency, REDD+ Strategy). Draft REDD+ Strategy is prepared and is under consultation.
- Indonesia announced Central Kalimantan as Demonstration Activity to be financed under the Norway Lol;
- The President signed a Moratorium for concessions in May 2011
- Indonesia published a draft REDD+ Strategy for consultation. Consultation period ended on September 17,2011.
- Indonesia announced a common map, managed by the National Mapping Institute.

### 3. Stakeholder Consultations and Communication

- Consultations at national level with civil society and other stakeholders are currently taking place under the leadership of Bappenas and the Ministry of Forestry, under the umbrella of the UKP4 (Presidential task force for REDD+ in Indonesia) and Ministry of Forestry
- Consultations focus on the Indonesian REDD+ Strategy, on the identification of the first REDD+ Demonstration Activities (Central Kalimantan) and on the national institutional arrangements for REDD+ implementation
- The FCPF will also contribute to the national consultation efforts, by building capacity at a national and sub-national level, by working on a Strategic Environmental and Social Assessment of REDD+ Strategy options and by consulting on the Management Framework for sub-national implementation.
- SESA process will start its activities in the first semester of 2012. DKN will be assisting Ministry of Forestry with the implementation of the process. First studies, that will feed the SESA are thought to take place already in 2011

### 4. REDD Strategy Preparation

- Indonesia published a draft REDD+ Strategy for consultation. Consultation period ended on September 17,2011.

## REDD Readiness Progress Fact Sheet

**COUNTRY: Indonesia**

**September, 2011**

### 5. Implementation Framework

- **The Ministry of Forestry approved a decree that defines eligibility of REDD+ demonstration activities in Indonesia (2009).**
- **More than 60 Demonstration Activities are being prepared; The Ministry of Forestry is currently assessing which Demonstration Activities should be recognized according to their regulation.**
- **REDD+ Task Force is currently discussing the REDD+ institutional and legal framework for the implementation of REDD+ in Indonesia in future**
- **Possible FIP and FCPF Carbon Fund support might build on current consultation process.**

### 6. SESA

- **The government and civil society prepared draft ToRs for SESA validation.**
- **The SESA and Environmental and Social Management Framework (ESMF) will be implemented by DKN, an independent body that specializes in forest policies and consultations.**
- **Draft SESA/ESMF TORs disclosed. Final consultation on TORs will take place prior to the start of the SESA process, which is expected to take place early 2012. First underlying analytical work will partly already start in 2011.**

### 7. Development of a Reference Scenario

**The initial work is done. However, no comprehensive approach is published as of yet on the REL/RL system for the national and sub-national approach.**

### 8. MRV

- **The Norway Lol requires the creation of a national independent agency for MRV. It is not certain how and when this will be established.**
- **There is a larger support program to install a National Accounting System financed by AusAid through the INCAS program that announced that a full nationwide MRV system will be established by the end of 2013.**

### 9. Other
