December 2012- May 2014

215 participants in **36** countries

Objectives

The regional workshops focused on three interrelated aspects that dealt with social inclusion in the REDD+ Readiness process:

-Strategic Environment and Social Assessment (**SESA**) and the Environmental and Social Management Framework (**ESMF**)

-Consultation, participation, and communication (**C&P**) dynamics

-Feedback and grievance redress mechanisms (**FGRM**)

Methodology

Methodology

Commonalities

Transitioning from consultation to effective participation

Securing land tenure rights and equitable benefit sharing mechanisms

Establishing grievance mechanisms at the local level

SESA/ESMF recognition of strong environmental policies. Need to strengthen social aspects within policies, laws
