

# REDD+ readiness process in Paraguay

## UNDP Delivery Partner

*Al servicio  
de las personas  
y las naciones*

# R-PP elaboration process

- 2008: R/PP of Paraguay endorsed by PC
- 2011-12: Inception of the UN-REDD NP
- 2012: Paraguay invites UNDP to act as DP
- 2012-2013: Political changes
- Sept 2013: UNDP – FMT joint mission
- End 2013: Initiate elaboration of the R-PP

# Political dialogue between Government and Indigenous People

From conflict to co-implementation:

- Dialogue btw Government and IP on REDD+ initiated in 2010
- Initial tensions
- FAPI is now part of the UN-REDD Steering Committee
- Several areas of collaboration

# Achievements

- Broad support to work on the R-PP to be presented to the FCPF.
- Participatory process during R-PP elaboration.
- Growing participative processes for the readiness process.
- No particular challenges expected / compliance with the Common Approach.
- Perfect coordination between UN-REDD and FCPF

# Challenges and Opportunities

- Compatibility btw REDD+ and present development trajectory?
- GoP budget dedicated to environment.
- National CC Policy approved in 2013, includes REDD+
- Target of zero illegal deforestation in the National Development Plan 2030
- Ongoing efforts with the sectors of commodities and energy.
- Increasing number of actors and institutions interested in protecting forests
