I refer to the Grant Agreement between the Republic of Vanuatu (“Recipient”) and the International Bank for Reconstruction and Development (“World Bank”), acting as Trustee of the Readiness Fund of the Forest Carbon Partnership Facility (“FCPF”), dated March 31, 2010 (“Readiness Grant Agreement”), pursuant to which the World Bank agreed to provide to the Recipient a grant in an amount not to exceed two hundred thousand United States Dollars (US$200,000) for formulating the Readiness Preparation Proposal. Further, the Recipient and the World Bank entered into a second Grant Agreement dated April 10, 2015 (“Second Grant Agreement”), pursuant to which the World Bank agreed to provide to the Recipient a grant in an amount not to exceed three million six hundred thousand United States Dollars (US$3,600,000) (“Original Grant”) to enable the Recipient to carry out Readiness Preparation Activities.

The Participants Committee of the FCPF (“PC”) has reviewed the request for an additional funding submitted by the Recipient, in accordance with the process as specified in Resolution PC/12/2012/2. Through its Resolution PC/Electronic/2018/4, the PC decided to allocate additional grant funding to the Recipient in the amount of up to two million five hundred thousand United States Dollars (US$2,500,000), to enable it to continue with the carrying out of the Readiness Preparation Activities, subject to the terms and conditions set out in said Resolution.

In response to the request for financial assistance made on behalf of the Recipient and the decisions of the PC referred to above, the World Bank has agreed to extend to the Recipient two million five hundred United States Dollars (US$2,500,000) (“Additional Grant”). Accordingly, the World Bank proposes to amend and restate the Second Grant Agreement (“Agreement”) to read as above and as follows:

This Grant is funded out of the abovementioned FCPF trust fund for which the World Bank receives periodic contributions from the donors. In accordance with Section 3.02 of the Standard Conditions (as defined in the Annex to this Agreement), the World Bank’s payment obligations in
connection with this Agreement are limited to the amount of funds made available to it by the donors under the abovementioned trust fund, and the Recipient’s right to withdraw the Grant proceeds is subject to the availability of such funds.

The Recipient represents, by confirming its agreement below, that it is authorized to enter into this Agreement and to carry out the Readiness Preparation Activities in accordance with the terms and conditions set forth or referred to in this Agreement.

Since the execution of the Readiness Grant Agreement, the Charter Establishing the FCPF ("Charter") has been amended, and the terms and conditions of this Agreement are based on the Charter, as so amended. Where there are inconsistencies between the Readiness Grant Agreement and this Agreement including in the use of terms, the provisions in this Agreement shall prevail and deemed to have accordingly amended the provisions of the Readiness Grant Agreement to eliminate any such inconsistency.

Please confirm the Recipient's agreement to the foregoing by having an authorized official of the Recipient sign and date the enclosed copy of this Agreement, and returning it to the World Bank.
